E-Mail: anchors@DEWALT.com

To whom it may concern,

As you may or may not be aware, a portion of the Elco Construction Products portfolio are undergoing a brand change to DEWALT for select fastening systems. The Aggre-Gator, Crete-Flex and UltraCon SS4 products affected by this this brand change is the result of work conducted over the last several years since Elco was purchased in February 2013 by Stanley Black & Decker.

Pursuant to this brand change, this is formal notification that the following DEWALT fastening products are largely identical to Elco fastening products in respect to dimensional specifications and material properties, with the exception that the identification stamp on top of the fastener head will change from the Elco flag to a "D":

| DEWALT BRAND PRODUCT | ELCO BRAND PRODUCT |
|----------------------|--------------------|
| Aggre-Gator® | Aggre-Gator® |
| Crete-Flex® | Crete-Flex® |
| UltraCon® SS4 | UltraCon® SS4 |

DEWALT, Powers Fasteners and Elco Construction Fasteners are all brands of Stanley Black & Decker.

If there are any questions or if you require any additional information, please contact us.
